

Subject: Assertion of Constitutional Rights and Request for Immediate Protection

To Whom It May Concern,

I am a resident of Oglethorpe County and a member of the Gabriel family, with a heritage in this community dating back to 1841. I am currently being detained and wish to assert my constitutional rights as protected under the United States Constitution and the Georgia Constitution.

I respectfully request that Sheriff David Gabriel of Oglethorpe County be notified immediately of my detention. As the highest elected law enforcement official in the county, the Sheriff has the duty to ensure that all actions taken are in compliance with constitutional protections.

I do not consent to any searches or interrogations without the presence of legal counsel. I invoke my right to remain silent and request access to an attorney as guaranteed under the Fifth and Sixth Amendments.

This letter serves as a formal request for the Sheriff's oversight to ensure that my rights are not violated during this process.

Respectfully,
